

PHYSICIANS WHO LEFT A MARK

PS

*Prof. Dr.*

## Paraskev Stoyanov

30 January 1871 – 14 November 1940 · Giurgiu, Romania

*“Bulgarian physician, founder of modern surgery and marine medicine (thalassotherapy) in Bulgaria, and the first professor of surgical propedeutics at the Faculty of Medicine in Sofia. Besides being a physician, he was also a local historian, mountaineer, photographer and public figure.”*
